

WILLIAM “BILL” GODFREY

CHIEF CONSULTANT

PERSONAL PROFILE

WILLIAM “BILL” GODFREY retired as Chief of the Deltona (FL) Fire Department after 25 years in the fire service. He is chief consultant for C3 Pathways, a public safety consulting, training, and exercise firm. He has an MBA with additional degrees in public administration and EMS management. He is a paramedic, firefighter, and fire instructor III; a former planning manager for USAR FL-TF4; an author, software developer, inventor, and an expert in simulation training, fire training, mass casualty incidents, incident command, and disaster response.

Bill served as incident manager on multi-alarm fires, mass casualty incidents (including 400+ victims), hazmat, and natural disasters. In addition to developing numerous simulation systems and dozens of 2D and 3D simulations, Bill has conducted hundreds of incident management classes using multiplayer simulation as well as using simulation to conduct HSEEP compliant functional and full scale exercises.

EXPERIENCE

C3 Pathways, Inc. (formerly FutureFD/LE)

Orlando, Florida, 2004 - Current

CHIEF CONSULTANT & PRESIDENT

Bill manages and directs the consulting, training, and exercise practice of the C3 Pathways team in addition to serving as the principal consultant. Bill also directs the technology and software development team in simulator and simulation development used by C3 instructors and clients. Bill is an expert in both emergency response and technology, bringing incredible innovation and value to the industry.
