

COUNTERSTRIKE BASIC™

Active Shooter Exercise Kit

Rehearse the active shooter response before it's real.

Counterstrike Basic is a portable, hands-on exercise that brings law enforcement, fire, and EMS around one board to rehearse the integrated active shooter response from first call to last transport.

TRAIN EVERY DISCIPLINE TOGETHER

Law enforcement, fire, EMS, and command train together on one board and run the response from first call to last transport.

EASY TO LEARN, READY ANYWHERE

Simple to learn and fully portable. Run repeatable reps in a classroom, an apparatus bay, or a briefing room, as often as your team needs.

BUILT BY C3 PATHWAYS

Part of the Counterstrike Professional Training System, used by hundreds of agencies nationwide.
