

COUNTERSTRIKE REUNIFICATION™

School Reunification Exercise Kit

Rehearse the response and the reunification.

Counterstrike Reunification is the only kit that rehearses both the school violent-event response and the family reunification that follows, with school leadership, law enforcement, fire, and EMS at one board.

RESPONSE AND REUNIFICATION, TOGETHER

Three boards plus reunification paperwork and mechanics let you practice reuniting students with their families, not just the response.

EVERYONE AT ONE BOARD

Bring school leadership, law enforcement, fire, EMS, and your reunification team around one board to build and pressure-test the plan together.

BUILT BY C3 PATHWAYS

Part of the Counterstrike Professional Training System, used by hundreds of agencies and schools nationwide.
