

SHAWN HALL

CAPTAIN (FIRE)

INSTRUCTOR, NCIER

PROFILE

SHAWN HALL is currently working with the Jacksonville Fire and Rescue Department as a Captain. An excellent communicator with proven abilities as a decision-maker, problem-solver, leader, and educator, Shawn has over 18 years of Fire and Rescue, Emergency Management, and Leadership / Management experience within city/county and private sector service.

He also has 15+ years of experience teaching in all areas of emergency medical services, fire service, hazardous materials response, search and rescue, and emergency management topics.

Shawn's additional responsibilities include intelligence liaison to the Northeast Florida Fusion Center, a central point for multi-hazard intelligence sharing throughout Florida, specifically Northeast Florida. Assignments include liaising with local law enforcement, emergency management, fire service, and healthcare partners regarding information and intelligence sharing.
